SPAIN PREPARES FOR MARINE WAR

Maritime Rivalry Between U. S. and Britain Held Source of Future Danger

MADRID, Sept. 20.—Spain must be-come interested in the struggle for the commercial supremacy of the seas, says the newspaper El Debat in an edi-

"In the approaching struggle," the newspaper declares, "Spain owing to her extensive coast line and the strategical importance of some of her ports, cannot remain neutral. We must pay attention to the subject in time to occupy positions and adopt defen-sive measures to be used in the mari-time conflict between the great powers of the world.

"America aspires to have the leading role and the Jones' law is a challenge to Great Britain. The maritime rivairy between Great Britain and the United States is the greatest factor in international politics with which we

shall have to deal.

"This rivalry is complicated by a no less grave state of affairs existing between the United States and Japan, which well serves British interests. The British and Japanesse are united to frustrate American plans and designs for diminion in the shipping world. The first skirmishes in the maritime struggle are developing between American plans and designs.

My stomach became so weak I couldn't eat the simplest food or even drink a glass of milk without suffering for hours afterward. I was extremely nervous, and would have palpitation of the heart so badly at times I would almost faint My circulation was very poor, I had no color, and weighed only eighty-one pounds. It seemed I was just gradually starving by degrees, and I had al-

most given up hope. "After the best medical treatment failed to help me, travel and a change of surroundings was advised, so I traveled nearly all over the United States and had treatment every place I went but always with the same disappointing results. How I stood my suffer-ing is more than I can tell, and I become so despondent that life seemed

hardly worth living. "That is just the condition I was in when I began taking Tanlac. When my husband first suggested Tanlac I told him I had no faith in it, but the next day he bought me a bottle, and to my great surprise it seemed to agree with me, so I kept on taking it. The results speak for themselves.

"I gained thirteen pounds in weight, and I feel perfectly well in every way. My appetite is splendid and I cat just anything I want and never have the slightest symptoms of indigestion. I am so happy over the recovery of my health that I feel just like telling everybody about this wonderful medi-
